# Staff's Top 20 82'

The #1 staff favorite of 82' was the Dream Syndicate's "Days of Wine and Roses" LP. This was followed closely by Crass "Christ the Album", Angry Samoans "Back From Samoa", Charlie Pickett and the Eggs "Live at the Button", the Birthday Party's "Junkyard", and X with "Under the Big Black Sun". Over all it wasn't a bad year I'd say.
