HELP!!! WANTED!!! PLEASE!!!! We need a TYPIST so please someone get in touch with us. Laura left town.

OK first off let me wish everyone a happy new year etc etc.... Here's our new issue, a little late as usual so what else is new? I'm gonna pass on the comments and editorial jive this time. Instead we've printed the lyrics to "Overtown" by Charlie Pickett & the Eggs so you all can draw what ever you want out of it. Let me just remind everyone that we still always are in need of contributions of any sort. We particularly need good interviews/stories on bands for feature articles. There's alot of bands we'd love to do pieces on but due to our distant proximity to everything we're unable to do so. So if you live elsewhere and are interested in helping out we'd love to hear from you. We are especially interested in having things on Flipper, Dream Syndicate, Meat Puppets, Cramps, 45 Grave, Minor Threat, Sin 34, 100 Flowers, Effigies, ESG, Partz, Grandmaster Flash and they there's alot more as well- and those are just the American bands- whew! Well any way that's about it for now so stay cool and most important have fun!!!!

"OVERTOWN"

by Charlie Pickett & the Eggs

Feeling shakey as I can be
I know I'll feel better when my friend's with me
I called my girlfriend and she put me down
Now I'm going over to Overtown

(CHORUS)

Overtown don't let me down
Overtown won't let you down

Feeling down baby on my luck
Got \$55 jumped in my pickup truck
The secrets out I am hellbound
My secret ride is in Overtown

See that girl with the bluejeans on
See that boy with the needle in his arm
Lots of things I see make me cry
See that girl that I desire
Wants that boy like a jack on fire
I'm so happy now I'm there

(CHORUS)

There's my man Pancho I'm OK
That O.T. Brown is here to stay
Well it ain't the best but it's always around
Won't you take a little ride down to Overtown

(CHORUS)
